

Sunday Mornings

Nursery and Preschool Programming is available during the 9:45 Bible Class hour as well as both worship hours. Our curriculum provides preschoolers with a chronological overview of the Bible as they are taught about their need for Christ as a Savior. We offer both large group and small group learning opportunities where children will sing, hear Bible Stories, memorize scriptures, and participate in age appropriate activities that relate back to the Bible story.

Wednesdays @ 6:00pm

RP *KIDS* (Preschool) meets during the school year each Wednesday night following Family Dinner. During RP *KIDS*, preschoolers learn more about who Jesus is and what He did to rescue them (Bible Study), how God is using the Church to spread His fame around the world (Missions), and how we can glorify Christ with our voices and instruments (Music).

Tuesdays @ 10:00am

Toddler Time is a weekly gathering of toddlers, preschoolers, and their caregivers to hear foundational truths through stories and songs. It is a great opportunity for parents to connect with others who are in the same season of life as children have fun learning and playing.

Kids Night In

One Friday night in both the fall and spring semesters, Kids Night In is held from 5:30 - 7:30PM at the church. The night includes dinner, games, songs, and a short devotion. This is a great night for kids from both services and different ages to fellowship and learn together. While kids are having fun and being well cared for at church, parents are given a much-needed night to spend together as a couple or with friends. This is offered free of charge, but registration is requested. Watch the church calendar for dates.

New Ducklings at the Pond

Welcoming a new little one to the family is one of the most exciting times but can also be one of the most stressful for families. It is our desire to serve young families during this time of transition. Our New Ducklings Ministry works with new parents to set up meals and meet other needs after the new little one arrives. Contact Lindsey Turley or Savannah Seibold for more information.
