

## Sunday Mornings

Children's Programming is available during the 9:45 Nurture hour for all students. Our curriculum provides students with a chronological overview of the Bible as they are taught about their need for Christ as a Savior. We offer both large group and small group learning opportunities where children will sing, hear Bible Stories, memorize scriptures, and participate in age appropriate activities that relate back to the Bible story. Our team members work to provide a safe, welcoming, and engaging learning environment each week.

## Wednesdays @ 6:00

RP *KIDS* meets during the school year each Wednesday night following Family Dinner. RP *KIDS* combines the study of the Bible, God's work in His people around the world (Missions), and glorifying Christ with our voices and instruments (Music). Children will participate in both large group and small group activities. This is a great opportunity for children to build relationships with each other and our Children's Ministry leaders, all while being challenged to grow in their faith.

## Kids Night In

One Friday night in both the fall and spring semesters, Kids Night In is held from 5:30 – 8:00 at the church. The night includes dinner, games, songs, and a short devotion. This is a great night for kids from both services and different ages to fellowship and learn together. While kids are having fun and being well cared for at church, parents are given a much-needed night to spend together as a couple or with friends. This is offered free of charge, but registration is requested. Watch the church calendar for dates.

## Summer Opportunities

Summers provide a unique opportunity for ministry that the school year doesn't allow. Summers in our Children's Ministry are full of opportunities for children to grow in their understanding of who Christ is and their need for Him as they also have fun and grow in relationships. Summers include activities like Vacation Bible School, Music Discovery Camp, Camp, and more.
